EMPLOYMENT ANNOUNCEMENT

Ref to CM:8/13/2026

Position Title:	Zone Nurse Coordinator	
Grade and Salary (P/L):	PL 11/1 ~ 11/3	\$21,000.00 ~ \$23,000.00 Per Annum
Ministry and Division:	Ministry of Health & Human Services	Bureaus of Primary Health Care Services
Location:	Majuro	
Reports to:	Zone Nurse Supervisor	

JOB PURPOSE: To coordinate and deliver comprehensive, community-based primary health care services within an assigned zone by assessing population health needs, implementing and evaluating health programs, facilitating outreach and home-based care, promoting health education, and strengthening community preparedness to improve the overall health and well-being of the population in accordance with Ministry policies and professional nursing standards.

KEY RESPONSIBILITIES:

1. Assess, plan, implement, and evaluate primary health care services within the designated zone.
2. Coordinate community health outreach activities.
3. Collect public health data.
4. Education.
5. Staff Development.
6. Perform other service deliverable within the capacity, qualification and experience normally expected from person occupying a position as this classification.

MAIN DUTIES AND OUTCOMES:

- 1.1 Identify and analyse the health requirements of the population in the designated zone.
- 1.2 Develop primary health care plans and programs based on identified community needs.
- 1.3 Evaluate health programs and services to determine their effectiveness and impact on community health outcomes.
- 2.1 Coordinate health outreach teams and community health workers to ensure effective service delivery.
- 2.2 Organize community health screening, education, promotion, and disease prevention activities.
- 2.3 Coordinate outreach schedules, locations, staffing, supplies, and other necessary resources.

- 3.1 Explain diagnosis, symptoms and expected progression in simple terms.
- 3.2 Show how to track warning signs, use diaries or digital tools.
- 3.3 Educate on when to seek urgent help and how to act in crises.
- 4.1 Provide health education to individuals, families, and communities on priority health issues.
- 4.2 Provide education and counselling to clients and families based on identified health needs.
- 4.3 Conduct health promotion and awareness sessions on disease prevention, healthy lifestyles, and available health services.
- 5.1 Develop and coordinate staff training and development programs to strengthen knowledge and skills.
- 5.2 Develop and coordinate staff training and development programs to strengthen knowledge and skills.
- 6.1 Provide support to other health programs and services as assigned by the supervisor.

DESIRABLE REQUIREMENTS:

Qualification:

- ASN with 2 or more years of experience, PH certificate, DDM certificate
- English/Marshallese

Special Consideration:

- Must be healthy and be able to walk distances to implement daily activities.
 - must be a good listener with counseling skills.
 - Good communication and organizational skills preferred.
 - must know how to drive and have a valid license.
-
